first fill, on us.*

*Trial must be requested by Dec. 1 to qualify for free first fill. Limited to machines not currently running Castrol® coolant.

Affordable Performance From a Long-Lasting Soluble

Finding the right coolant for machining operations is crucial, and **Castrol®** simplifies the choice with **Hysol® 11 FF**—its latest addition to the trusted Hysol® range. This mineral-based, soluble coolant is designed for general machining and grinding of ferrous metals, including cast iron and low-alloy steel. With **Castrol® Hysol® 11 FF**, customers receive performance, durability, and cost-efficiency—all backed by Castrol's renowned engineering expertise.

Hysol® 11 FF is formulated to help you:

- Enhance machining performance and surface finishes.
- Extend fluid life thereby reducing maintenance and machine downtime.
- Reduce foam over in recommended water conditions.
- Keep machines and tools clean with less coolant drag out.

Ideally suited for General Machining and Grinding

- Balanced Performance and Affordability.
- Bacteria-Resistant Formula.
- Extended Fluid Life.
- Cleaner Machines and Tools.
- Increased Safety.
- Improved Cutting Efficiency.

Applicable Sectors:

- Automotive
- Agriculture
- Construction
- Engine Manufacturing
- Heavy Industry
- Job Shops
- Machine Manufacturing
- Primary and Secondary Metals
- Precision Machining

Bank on Better / If you're seeking performance, rock-solid reputation, and affordable price, call your Steiner representative about a **FREE TRIAL of Hysol® 11 FF at 1-800-323-TOOL (8665)** or fillout the form below. If you're satisfied with the results, we'll give you a first fill, ON US.

Move your business forward with **Castrol®** and Bank on better. *Trial must be completed by December 1, 2024 to qualify for free first fill. Limited to machines not currently running **Castrol®** coolant.

Coolant Life

Castrol® Hysol® 11 FF is formulated with a resilient additive technology that resists the negative effects of bacterial growth and contamination. Your metalworking systems maintain performance, so you can rely on them to work harder for longer.

HSE Performance

Castrol® Hysol® 11 FF includes a bacteria-resistant technology that reduces the need for tank side biocides. It helps meet your local legislative requirements and improves worker safety and acceptance.

Hard Water Stability

Castrol® Hysol® 11 FF is designed to operate across a range of water hardness. It resists foaming and scum formation and its emulsion stability reduces maintenance needs and simplifies operations.

STEINER

Steiner Electric – Who we are Steiner is a full-line electrical and metalworking distributor that serves the commercial construction, industrial and OEM markets in the greater Chicago area. We pride ourselves on having in-house experts and access to our vendor’s experts to help with innovation, process improvement and machine performance.

We have developed extensive digital tools that help our customers to easily connect with our personnel and products in order to get information and deliveries quickly and easily. Our customer portal is designed to help get answers and tasks completed quickly. We believe that our digital experience is just as important as interacting with us in-person. Our delivery solutions are focused on improving a customer’s efficiency when receiving material. We have solutions that deliver at specific times or provide material based on the needs of the project.

Commercial Construction

Servicing the electrical contractors and building maintenance personnel.

Industrial End User

Servicing steel mills, metal shaping and forming, manufacturing plants, food processing, industrial and commercial warehousing, data-centers.

OEM

Helping machine builders innovate and automate packaging, material handling, manufacturing and assembly.

The Power of Expertise

Access local and global product and application experts to innovate and improve business outcomes.

The Power To Connect

Access information on products, order status, sales personnel and more in an instant to meet the speed of business.

The Power to Deliver

Your material and solutions provided in a way that improves your efficiency.
